## Bridport pair safe after Paris attacks

BRIDPORT mother and daughter Nicola Tattershall and Elle Poole were enjoying a holiday in Paris when the terrorist attacks unfolded in the French capital on Friday

The gun and bomb attacks killed at least132 people and have been described by French President Francois Hollande as a "horror" and an "act of

Bars and restaurants around the city were targeted, as well as the Bataclan concert hall, where gunmen held hostages and at least 80 were killed, and the Stade de France, where President Hollande was among the 80,000 people watching a football match between France and Germany.

Colfox School, and her mum Nicola, have assured family and friends they are safe and well following

They were walking along the 'Love Lock' bridge

past Notre Dame with a family friend they had been staying with when they were alerted of shootings by a phone call from Elle's dad back home, asking if they were OK.

Elle said: "I just brushed it off as one of those things that could happen in a big city and assured him that we were fine and making our way back to where we were staying.

"I told our friend who we were staying with what

my dad had said. We then realised just how many sirens were going off; there were police and ambulances rushing around everywhere.

"Our friend's daughter had told us that night that her boyfriend was actually watching the game in the stadium, so the next 10 minutes were spent trying to figure out if he was OK. Thankfully, he was absolutely fine and had managed to get out quickly and safely.

"The journey home was quite scary because, of course, we were all on edge. Me, my mum and our friend were just constantly wondering what would

happen next as we saw what was unfolding on our phones. Having to travel home on the Metro and the buses definitely put us on edge.

"Once we were back to the house safely we watched the news until late while more and more information was given out about how awful the situation really was and still is. It was surreal thinking we were just a short distance away from all this tragedy and terrorism."

A state of national emergency has been declared in France and the borders were closed on Friday night to prevent anyone from leaving the country, but Elle said it didn't affect their planned journey home on Sunday.

"Our thoughts were and still are with the victims and all their loved ones," she added.

A group of 20 students from Thomas Hardye School in Dorchester and their teachers were also in Paris on a school trip at the time of the attacks, but have said they are all 'safe and well'.

WRITER Lorna Cowan, who moved to Charmouth about a year ago, has recently published a book on the heritage and history of the Dorset village.

"A Look Back at Charmouth", which has lots of old photos, takes a fond look back at the history and heritage of the village and highlights what has changed there over the years.

This is Lorna's first book, having previously worked in publishing and writing for magazines and online for 25 years.

#### WHAT is the book, 'A Look Back at Charmouth', about?

"A Look Back at Charmouth" does just that, it takes a fond look back at how the Dorset village has changed over the years. It would be a shame if the heritage and history of Charmouth was lost or forgotten, so I've gathered much of it together alongside old photographs and postcards. Hopefully this book will ignite memories and spark conversations.

#### WHY did you write the book?

Although I've been visiting west Dorset for over two decades, I only moved to Charmouth at the end of last year. Buying a house just before Christmas meant that I hadn't really bought any presents, so I thought I'd get my husband a book on Charmouth as a stocking filler, so he could find out more about the history of the village we had just moved to. I was surprised to discover there wasn't one, so that's when I decided to write a book myself.

#### HAVE you written other books?

This is my first book, but I've been working in publishing for over 25 years, writing for magazines and online. I was editor of Which? Travel magazine and before that editor of All About Soap magazine, so I've written about lots of different places and people.

#### WHY did you choose Charmouth?

I've always wanted to live by the coast, and I was charmed by Charmouth. It's a beautiful place to call home and I love walking along the

beach and over the cliffs, where you get the most spectacular views. Everyone is so friendly in Charmouth, too. I've made lots of great friends already.

#### HOW did you find out about the history of the village?

I spoke to the people who have lived in Charmouth for many years and seen the changes themselves. Neighbours had lots of stories to share and photographs to show me. And I turned up at coffee mornings in the village, ever hopeful to be introduced to another local with first-hand knowledge. I also joined the Charmouth Local History Society and looked at the notes written by Charmouth historian Reginald Pavey.

#### WHAT did you discover?

Charmouth has had many famous visitors over the years, including Charles II, Arthur Conan Doyle, Florence Nightingale and Jane Austen. Some remarkable people have lived and worked in the village too. Properties have been built, renovated, destroyed by fire and inhabited by ghosts! And the coastline has provided inspiration to artists, hiding places for smugglers and long-lasting memories for hol-

## Views wanted on area's economic plan

THE new Bridport and West Bay Coastal Community Team are calling on local businesses and community organisations to give their views for an economic plan for the area.

Local Consultant Brian Wilson has been appointed to work with the team to produce the plan, which has to be published by the end of January 2016.

Local organisations and businesses are now being invited to take part in the consultation, which will help create the plan.

#### by Lottie Welch

lottie@pemedia.co.uk

Mr Wilson said: "The economic plan will enable the area to apply for extra grant funding and to take actions that improve the economic prospects of Bridport and West Bay or address particular concerns.

"This will include, but is not restricted to, the area's tourism and leisure economy. It will also

help work on other local initiatives, such as the neighbourhood plan, called Vision 2030.

"The Coastal Community Team is especially keen to hear from local businesses, community groups and organisations."

Funded by the Government's Coastal Community Team Initiative, the team includes representatives from Bridport Town Council, Bridport Chamber of Trade and Commerce, Bridport and District Tourism Association, Bridport Local Area Partnership, Bridport Area Development Trust,

West Bay Community Forum, Dorset County Council and West Dorset District Council.

Richard Smith, chairman of the Coastal Community Team, said: "This is an opportunity for businesses and local community organisations to let us know their views, and help us put together an economic plan for our area, which will ensure that we are in a good position to identify and obtain future funding for the area".

Two workshops, which people are welcome to attend, are to be held at The Salt House, West Bay, at 11.30am on Wednesday, November 25th and at Bridport Town hall at 5.30pm on Thursday, December 3rd.

The public can also contribute by completing a survey at http://svy.mk/1NALJQ3

Paper copies of the survey are also available from the town council offices at Mountfield and the Bridport Tourist Information Centre. The closing date for responses is Friday, December 4th.

## Parking at Askers Meadow?

BRIDPORT Town Council have suggested a temporary car park at Askers Meadow in a bid to alleviate the town's limited car parking.

Town Surveyor Daryl Chambers announced the idea at the council's finance and general purposes committee last Wednesday (November 11th) and said that a planning application for temporary use at the field near Mor-

risons supermarket would be submitted.

Mr Chambers said: "We are looking at car parking issues in Bridport and where we could relieve some of the problems; why not go for a temporary use for car parking in Asker Meadows for the major events we have in Bridport, such as the hat festival?

"They could park in the show ground and walk on the footpath

to South Street. I am looking at the bigger picture for the town and we are at a limit for car parking, so I think it is a solution that we should examine and do it through the planning process.

"People have opinions but we have got to get a good balance for the town and take the overall view."

Alongside the temporary parking, Mr Chambers is submitting

an application for a temporary portable building to act as a classroom for schools to use and also as an office during events at the field.

Mr Chambers added: "The idea would be to put one application in for the pair on a temporary planning application to allow us to see if this will also bring out everybody that wants to comment on it."

## Police appeal for information

DORSET Police is appealing to witnesses or anyone with information to contact them on 101 quoting the relevant crime number.

A tandem kayak worth £500 was stolen from outside a caravan stock between October 29th and November 12th. It was left securely tethered in place by the owner. Crime number 55150128599.

During the same time-

frame, a red Renault Scenic was also attacked at the same location, and a handbag was again stolen.

Entry to the vehicle was via the driver side window. Crime number 55150129323.

Dorset Police has also been made aware of a potential telephone scam, in which the caller claimed to have been calling from the water board, stating that the resident had missed a payment and was asking for bank details over the phone.

Thankfully this resident challenged the caller and demanded written confirmation, at which point the call was terminated.

Dorset Police are urging anyone who receives a similar call to not give out personal information or bank details over the phone.

To report a call believed to be a scam, report it to Dorset Police on 101 or Action Fraud on 0300 123 2040.

## Call to save youth centre after county council announce cuts

councillor is urging the town to "unite together" to save the youth centre after Dorset County Council announced its proposal to withdraw funding to its 22 youth centres, writes LOTTIE WELCH.

Councillor Ros Kayes said that the community have to "act quickly" to ensure the building remains providing facilities to the young people of the town.

Local residents are being urged to have their say on the public consultation on Dorset County Council withdrawing funding and targeting resources where the council feel they are needed

This includes working closely with schools, supporting volunteers and youth workers and providing £200,000 to support communities.

But Cllr Kayes fears this could see the loss of the building and is encouraging residents to come together to save the facility.

She said: "This proposal confirms the worst of my fears. I had some hope that because Bridport is such a deprived area that a special case would be made. This has not transpired.

"Over the last 18 months, I have been working with the western area senior youth worker, leader of the town council and the Dorset County Council youth team to ensure that we were ready to hit the ground running should our worst fears materialise.

"We have full costings for running the building and youth club and the income stream which currently exists from use of the centre by community groups. We know what we need to do - now

"Let me say quite clearly, this centre is sorely needed by the town and I know that local people will not countenance it being closed under any circumstances.

"Now we need to be strong and to act quickly in order to get a concrete proposal to Dorset County Council to form a trust to run the building and make sure that we keep this asset open and available for our young people and the rest of the community to

"We simply cannot accept the loss of this facility which as well as young people, gives space for our boxing club, football practice, the Bandits, Moving On mental health group, the recording studio and everything else that goes with this building. I really want to see the town unite together to save this building."

The proposal comes after Dorset County Council's review on youth services in September, asking the public for their views in a bid to save money.

Dorset County Council's children's services budget, currently £57 million, will have to be reduced by at least £5 million in 2017, and by the same again - or more - by 2020.

The council currently spends £2.2 million on youth services in Dorset and need to reduce this by around £1 million.

Cllr Toni Coombs, Dorset County Council cabinet member for children and young people, said: "Good youth work is much more than about offering young people places to go and things to do - it's about building relationships and supporting those who need help, whether it's with attending school, mental health is-

"There is an enormous amount of pressure on young people today and we need to spot problems early before we have to provide more intensive - and costly - services, such as social care. The earlier we can support children and their families, the more likely they are to lead happy lives."

Under the new proposal, youth workers will be directed to places including schools and skate parks, and devote more time to children and young people with acute needs.

At the same time, the county council will provide funding and work in partnership with parish / town councils, voluntary groups and communities to ensure there are still plenty of places for young people to go and things for them to do.

Cllr Coombs added: "Although we are reducing our youth services budget, we will still have more than £1m to spend and need to use this money wisely.

"There are also many other organisations and community groups across Dorset that support young people by providing places to go and things to do.

"We would like to work more closely with them so we can target our resources where they are most needed. We want a more effective service that supports the most vulnerable while giving all young people the exciting opportunities they deserve."

The consultation is open until December 16th and is available at www.dorsetforvou.com/vouth -services-consultation

Dorset County Council's cabinet will consider feedback from the consultation in January

## BYPAT to help youngsters with mental health issues

MEMBERS of Bridport Young Persons Action Trust (BYPAT) are considering ways to urgently bring needed local support for young people with mental illness.

The group heard about the work of The Project in Axminster – a support network to help young people with mental health issues – from Debbie Humberstone, The Project founder, at a recent meeting

She had been invited by local residents Phil Lathey and his son Matthew, whose friend had mental health problems and committed suicide at 22-years-old.

Matthew has also recently cycled to Paris and raised £3,000, the majority being donated to The Project to keep their work going.

Arthur Woodgate, chairman of BYPAT, said: "It was agreed there was an urgent local need for support for young people with mental health issues and the group would consider ways it could work in partnership with The Project to provide such support in Bridport.

"The future of Dorset youth service, facing a cut in budget, was also

discussed.

"It was thought unlikely that the youth centre would close, given the broad use of the building by both young people and the wider community.

"However, certain aspects of youth work were considered to be under threat and, with jobs very clearly at risk, there was a question mark against the quality of any potential work with young people."

Concern was also expressed for the programme of Outreach street work in the area, which had a proven record in reducing vandalism and anti-social behaviour, and also the SUMMENTOR, summer mentoring programme, and The Humph professional sound studio at Bridport Youth Centre, which were considered to be at risk.

Mr Woodgate completed Dorset County Council's consultation document on behalf of BYPAT, emphasising their role as a partner with the experience and expertise to help ensure that any provision retained remained pertinent to the needs of young people.

The committee then heard how the charity's partnership with the town council was close to raising sufficient funds for the inclusion of facilities for the disabled at the West Bay Play Area, whilst those involved in the Japanese Exchange's 19th year described an outstanding summer hosting programme.

ADVERTISER'S ANNOUNCEMENT

SOME old ledgers are being sold by Bridport Auction House, documenting a fascinating part of our rope and net-making history.

Åmongst the products described are: shoe and saddler's threads; squid and deep sea lines; seaming and roping twines; herring nets; cod seines and whipcords! They are made from hemp, flax, cotton and tow.

These Victorian books list the prices, quotations and the various countries who bought Bridport's famous nets.

Many documents are beautifully handwritten and provide a glimpse into Bridport's industrial past. There are plenty of other old books and ephemera available to view on November 25th and 26th; the auction takes place on Friday, November 27th at 10am.

#### Dad's mission to secure wheelchair access to beach

A LOCAL dad is on a dedicated mission to raise money for wheelchair access on Hive Beach in Burton Bradstock so that his daughter can enjoy the seafront, *writes LOTTIE WELCH*.

Neil Barnes, a photographer from Bridport, set himself the challenge and has launched a Just Giving page in a bid to raise £5,000 for the cause and is also selling his photographs. His daughter Lucy, *pictured below with Neil*, is severely dis-

abled and has Cerebral Palsy. Neil is unable to take her on to the beach because of the terrain. He wants matting or a pathway to be put down to enable wheelchair users and pushchairs to use the beach.

Mr Barnes was asked to talk about his campaign on Radio Solent, which was broadcast earlier this month, he said: "At the moment we can only go to the very edge of the beach where the sand starts, but its still really not on the beach

and I think that is something she should be able to experience: the sounds, the smells and all those things that we take for granted.

"It is such a peaceful place and 99 per cent of people love coming to the beach and she doesn't really get that opportunity and I think that's wrong; she should be able to. She has a right like everybody to enjoy all the natural things around here and I want her to be able to do that."

Mr Barnes said the idea was sparked after a trip to Devon where he saw on of the beaches there with disabled access. He added: "Earlier this year I went to Beer in Devon and they have some mats down already and that's where I saw people with pushchairs and wheelchairs going up and down the beach, and I thought, 'wow, why cant we do something like that here?'

"There are some difficulties around doing this; it is not going to be something that is easy to do, it can only be something that happens during the summer time when the weather is a lot quieter when we don't have the big tides and so on. I am looking at having something put down from May to September.

"I am relying on other peoples generosity and I have got one or two other ideas in the pipeline to hopefully raise more money, and if it doesn't happen this year I am pretty confident it will happen next year.

"I want this to happen, I really do and I think it is important, not just for Lucy but for others as well."

At the time of going to press, the Just Giving page had raised £210 in donations, including one from America, with donations to the cause totalling £600.

## **Fundraising for Pudsey**

A YOUNG local fundraiser continued to show her support for charity by raising over £100 for Children in Need.

Elfin Bonome, an 11-year-old from Kingston Russell, battled the wind and rain to hold a bring and buy stall outside the Red Brick Café at St Michael's Trading Estate on Saturday (November 14th).

She managed to raise £153.96 for Children in Need, with help from her mum Mickey and friend Serena Emmett.

Mickey said: "Elfin struggles

with her own health and has wanted to raise money for various charities to help others for a while now. "She started working through

"She started working through her list of different charities to help last month, and raised £150 for Macmillan Cancer Support by holding a tea and cake gathering for friends and family in her garden at home and selling cakes to various groups.

"She baked all the cakes herself and as a result took on a commission to bake cakes for a birthday party.

"On Saturday she braved the rain and high winds, she sold

a lot of her own things as well as other items that friends and family had donated for the cause.

"Thank you to everyone's kind donations, support, lending of tables and all other help."

Elfin's next fundraising event will be a 'do for a loo' to raise money for Toilet Twinning, a charity that provides people in the poorest communities with a clean toilet and water.

• THE Bridport Post Office tombola for Children in Need raised £225 last Friday.

Staff would like to thank the team, customers and local retailers who donated to the tombola.

Retailers included: Costa, Waitrose, Frosts, Snooks, Smith & Smith, Steptoes, Julia's House, Waterstones, Fruits of the Earth, The Chocolate Shop, Blue Lawn, Instant Redress, Bridget's Market, The Lime Tree, R K L Tools and Peach Electricals.

ELEVEN-year-old Elfin Bonome (right) held her own bring and buy stall in aid of Children in Need, raising £153.96, with help from her mum Mickey (left) and friend Serena Emmett

■ Staff and pupils at Burton Bradstock Primary School donned spots in the name of charity and raised over £100 for Children in Need.

Children enjoyed Pudsey shaped biscuits and a day of Pudsey themed activities last Friday (November 13th) joining schools and communities up and down the country raising funds for the charity.

Headteacher Mrs Staple said: "The children looked wonderful in their spotty outfits in aid of Children in Need.

"They had fun covering the giant Pudsey with coins and trying to find the hidden Pudsey on

the grid. Children in Class Four have been busy this half term.

"As part of their design and technology curriculum, they have researched, designed, baked and decorated Pudsey biscuits for the children to buy and enjoy.

"Thanks to everyone's generous donations we raised £191.84 for the charity."

isations came together on Remembrance Day to dedicate a bench to the 153 local men who lost their lives during the First World War.

They gathered in Cooper's Field, Allington Hill, where the oak bench - made and carved by a grant from West Bay Car Boot Fund - is situated.

A service and dedication was led by the Reverend Philip Ringer and attended by around 20 people, including Alan Kidson, representing the RAF, and Roger Stoodley for Royal British Legion.

Bridport Mayor, Councillor Sandra Brown laid a wreath on the bench and a t wo minute silence was observed. The service was concluded with those present singing God Save The Queen.

## Rural transport and the elderly to be talking points at BAVLAP meeting

THE Beaminster and Villages Local Area Partnership (BAVLAP) AGM will take place next week on Wednesday, November 25th and will focus on rural transport and older people.

Brian Wilson from Rural Services Network will be speaking on the topic and everyone is invited to attend to also hear more about the work of BAVLAP and meet people from a range of local

BAVLAP chair Rosemary Beeny said: "I would encourage people with an interest in their local community to get involved with BAVLAP, and we the rural parishes and villages.

"We have had some great achievements this year, such as helping to restore the Citizens Advice Bureau services in Beaminster, further supporting the work of Beaminster food bank, and launching an action plan for the area for the next three years."

The AGM takes place at Beaminster Cricket Club Pavilion from 7.30pm to 9pm and anyone wishing to attend should contact Rosemary Beeny on 01308 216409 or email bavlap@dorsetcommunityaction.org.uk

## Golden Cap talks

AT THE next Golden Cap Association talk, quests will find out the connection between Dorset and the department store Debenhams.

Anne King will talk about 'The Baronet of Baldon, the founder of Debenhams, on Monday, November 23rd at Bridport United Church hall at 2.30pm.

Anne King, a former teacher and adult education tutor, will explain that in 1914 the head of a large London drapery business bought six adjacent farms centred on Briantspuddle for £49,500, aiming to establish an integrated experimental farming enterprise. He was then created a Baronet in 1931 in recognition of his services to agriculture.

The titles of other talks in this programme include, 'In The Wake Of Captain William Bligh Of The Bounty' by Jasper Shackleton, 'A Year Through My Lens' on the Swannery at Abbotsbury' by Charlie Wheeler, and 'Life Aboard HMS Britannia' by Mike Crankshaw, a former royal yachtsman.

Non-members are welcome and the talks, including tea, coffee and biscuits, costs £3.

## News in brief Funding boost for farming classroom

THE Discover Farming classroom at Washingpool Farm has received a boost, giving local children a chance to find out more about agriculture and the farming industry.

The Melplash Agricultural Society has been offering bursaries to students who continue further education in farming and related industries for the past ten years and this year launched the Discover Farming project to help educate, inform and inspire the younger generation at local primary and secondary schools.

And Magna Housing's community initiative fund (CIF) has donated £2,500 towards the set up costs of the facility.

Marcus Beresford, director and trustee of the Melplash Agricultural Society, said: "The Melplash Agricultural Society believes that it is vitally important for the next generation to understand the role that farming and agriculture play in the local economy and environment.

"At a time of great technological change, we wish to inspire the younger generation to take up careers in farming and other rural industries.'

The new Education Centre at Washingpool Farm is a significant part of the Discover Farm-

Vicky Holland, of Washingpool Farm, runs the classroom sessions and said: "Teachers bring their students to our classroom for the day so they can experience a working farm, feed animals and learn about polytunnels and growing

"We believe it's really important that children learn where food comes from and how it is prepared."

The Discover Farming Educational Centre works with local schools within a 15 mile radius of Melplash and host classroom sessions from March to October.

Ken Bodycombe, community investment officer at Magna, said: "We want to support the communities we are based in and farming is a vital part of the area we live in.

"With so many of our residents' children in the local schools, our CIF forum of residents was delighted to support this fantastic project with a donation of £2,500."

### Solar panels and tourism

they are in the right place. But what is the right place?

There is general consensus that they are okay on commercial and industrial sites, and there is even a view that they should be made mandatory on all such new developments on land that is southfacing.

Constructing them on green field sites, particularly those that are designated as Areas of Outstanding Natural Beauty or Areas of Great Landscape Value, is quite another matter

Travellers along the B3165 from Crewkerne to Lyme Regis will have seen the swathes of land on either side of the road as it approaches the Hunters Lodge junction with the A35, now blanketed in solar panels.

'Menacing'

Closely-packed, black, menacing, they have all the appearance of a welldisciplined alien army from another planet, marching across the hills, currently occupying 140 acres, advancing from the south towards the village of Hawkchurch, the 'Village of Roses', where Dorset meets Devon.

A further development to construct another 'solar park', totalling 30 acres to the north of Hawkchurch, near the confluence of the River Blackwater and the River Axe, was conceived, and there seemed to be no way of stopping its birth.

Despite objections from over 150 electors, supported by a well-considered letter from the chairman of the Council for the Preservation of Rural England, the East Devon Planners recommended its approval. Fortunately common sense has prevailed, the committee has ignored that advice and this week the proposal has been rejected.

The arguments in favour of 'solar farms' have been weakened considerably. There appears to be no compelling reason for any of these developments, as Government has confirmed that the 2020 target for renewable energy has already been met. Can further plans be halted? Only, it seems, if the role of the planners is closely monitored.

#### Sadborow

Three miles further up the Blackwater another plan covering over 30 acres of precious Dorset countryside near Sadborow has been proposed.

The land is in an Area of Outstanding Natural Beauty. That description will need to be amended to 'Area of Extreme Ugliness' if it is sanctioned. Visitors to the South West walking the Liberty Trail and the Wessex Ridgeway (the latter actually bisecting the land in the proposal) are unlikely to be impressed by the change in view that will meet them if West Dorset sanctions the scheme

The impact on tourism has not been given sufficient weight in the solar energy debate.

Elizabeth Truss, the Environment Minister in the last Government, expressed the view, very strongly, that she did not want English farmland to be blighted by solar farms.

"Farming is what our farms are for, and it is what keeps our landscape beautiful. Solar Panels are best placed on the half million acres of south facing industrial rooftops," she said.

ful in having her views converted into

The UK farming community has long argued that they are the true custodians of the countryside, and that it is safe in their hands without external interfer-

By and large the public has supported that view, but there are bound to be serious doubts if this trend of industrialising the countryside continues. Tourism is a major sector in the economy of the South West, and indeed many in the farming community have diversified into tourism.

Entrepreneurship should be rewarded but we need to get the balance right. It cannot be fair that one or two farming families can dedicate their land to solar farms, assuring themselves a secure income for the next couple of decades. while the rest of the community and particularly those involved in tourism pay the bill?

Unless we are vigilant we may well discover, too late, that in the 21st century we have created a new industrial landscape in our precious countryside that will match the ugliness of the dark satanic mills of 19th century Northern England.

Those who are concerned should view the respective Councils' websites (East Devon/Planning/15/0645/MFUL and West Dorset/Planning WD/D/15/ 001863), examine the proposals, see the decisions that the Planners are making in their name and comment accordingly

#### Vearse Farm won't cause traffic chaos

Plans committee last Monday, considering the Vearse Farm outline planning application, one of my points was misreported.

Probably my fault for not speaking clearly but, anyway, I did not "argue that hundreds of extra houses at Vearse Farm would tip the town into traffic chaos and congestion".

I was saying that I did not believe that would happen. I think it likely that if the site is developed in ways that encourage sustainable transport, and the rest of the town moves further in a similar direction, the road network will prove to be guite adequate. It was interesting to hear WDDC's planner de-

scribe the letter Oliver Letwin has written giving his response to the application as "rather odd". He was very polite; in reality it is a cynical attempt

to hoodwink opponents of Vearse Farm into thinking he sympathises with them.

His letter starts out by saying: "As you may be

the Local Plan, as I am not currently aware of alternative, preferable sites for development on this scale in Bridport."

To then suggest that allowing the Neighbourhood Plan to run its course might magically produce an alternative site or combination of sites with equal capacity is simply dishonest.

I did not vote in favour of the motion to merely oppose the application because I felt that was wasting the opportunity to state forcefully the demands we need to force on the developers - all affordable housing to be in the form of property for rent at no more than half market rates, a highly sustainable zero carbon scheme fit for the 21st century and one designed to ensure residents and workers have the maximum opportunity to use sustainable modes of

#### Thanks to day centre for play area help

THANK you for the article in last week's edition, highlighting the development of the West Bay Play Area to include facilities that can be used by both the able bodied and those with a disability.

In getting to this stage, and with being able to attract an award of £10,000 from the 2012 Olympic Health and Wellbeing Legacy Fund (which means we really are 'just a breath away' from reaching the total budget required) the involvement and input from our consultation groups has been invaluable.

These have included the Flood Lane Day Centre, the Sir John Colfox Academy and, as your photo accompanying the article indicated. the Mountjoy School Council.

However, what wasn't mentioned is that also in the photo were a number of adults from the Fisherman's Arms Day Centre, who have been involved from throughout in helping to develop the play area.

It was quite a day for them too: many had attended the old Mountjoy

School when much younger, had extremely positive memories of their time there, but had never seen inside the new building

Deputy Head Helen Farnell very kindly provided transport for them to be able to join us in the photo shoot, and then gave them a guided tour of the school and its facilities.

They loved it... Thanks again!

Your loyalty and support is invaluable and the pleasure it gives us to see people coming back is uplifting. We wish you and your family the very best of everything for the festive season ahead and look forward to welcoming you again in 2016. Best wishes from the Award Winning Riverside Team

## Police implementing findings of three-year review

IN THE wake of possible funding cuts, Dorset Police is developing its approach to neighbourhood policing.

They are implementing the findings of a comprehensive three-year review – which includes surveys with 254 neighbourhood police officers and PCSOs, interviews with 18 sergeants, and gathering independent observational data – to ensure that local communities remain at the centre of policing.

The review, named Project Genesis, proposes a sustainable model for neighbourhood policing to ensure Dorset police can continue to deliver an efficient service to the public, regardless of future financial challenges.

The changes will also include Safer Neighbourhood Teams, a term that was specific to Dorset, renamed to Neighbourhood Policing Teams (NPTs) and the recommendations being implemented include revising the role profiles for all officers and police staff who work in NPTs.

Police officers will focus on protecting high-risk or vulnerable victims, dealing with persistent and repeat offenders, and taking responsibility for the reduction and detection of crime.

PCSOs will focus on engaging with local people, co-ordinating problem solving by working with partner agencies and helping the public to resolve issues themselves, for example, neighbourhood disputes, while sergeants will manage and supervise NPTs.

Volunteers will also be used to support the teams by undertaking administrative duties. A minimum of 22 new volunteers will be required within the new operating model, which equates to one volunteer per NPT.

Assistant chief constable David Lewis, who oversaw the review and its implementation, said: "Neighbourhood policing is part of the fabric of Dorset Police. Local communities are at the core of what we do.

"The review signifies a commitment to these communities, while ensuring that neighbourhood policing can continue in an ever-changing financial landscape.

"The review was not commissioned to make savings and does not, in itself, recommend or require any staff losses.

"However, we have purposely introduced a model that is scalable and that should be robust enough to continue providing neighbourhood policing, if budget cuts are required in the future.

"The public should only see a minimal change, if any, to the day-to-day service they receive from Dorset Police, as local priorities set by communities will still be key objectives of local officers."

Work is currently underway to help partner agencies and community groups understand how the police will work with them, with partners and community groups also assisting with issues that they can resolve.

Martyn Underhill, Dorset Police and Crime Commissioner, said: "Project Genesis has resulted from a thorough and in-depth piece of academic work which has fully reviewed how Dorset police delivers neighbourhood policing to its communities. This is the most comprehensive review that Dorset police has ever undertaken and I fully support the project.

"However, this project has been undertaken through a period of financial challenges and whilst I am committed to protecting neighbourhood policing, the chancellor's autumn statement later this month will give us more clarity on government funding.

"Further cuts could impact on every area of the force, however, neighbourhood policing will always remain a key priority and this model of policing is scalable. "I believe the project will enhance the role of policing in our communities, and by working alongside partner organisations will help safeguard neighbourhood policing in our county."

## Support for school's new sensory garden

A SCHOOL in Beaminster has received a boost to make improvements to its outside play areas.

The Friends of Mountjoy School have been awarded £8,133 from Dorset County Council's third round of the Inspired by 2012 Health and Wellbeing Legacy Fund.

The money will go towards enhancements to the school's outside areas to incorporate a wheelchair sensory trial and senses garden.

Cheryl Baker, chairman of the Friends of Mountjoy School, said: "The school will create a wheelchair friendly sensory trial with flowers, chimes, seating and a pathway; they will also be developing a wheelchair friendly musical instrument area.

"The school has a good range on indoor sensory facilities but lacks any outdoor, so this project will make much needed, long lasting enhancements to the outside areas of the school.

"Many of our young people have visual impairment, therefore other senses become paramount, such as smell, hearing and touch.

"For those with a hearing impairment, the sensory trail will both look, smell and feel stimulating."

The Health and Wellbeing Legacy Fund gives grants to projects that address health inequalities across Dorset and the aim is to inspire communities by investing in projects that focus on the particularly vulnerable.

Chris Skinner, Dorset County Council sports project officer, managing the Inspired by 2012 Health and Wellbeing Legacy Fund, said: "The project is going to provide a fantastic extension to facilities at the school for the children of Mountjoy School and the surrounding schools.

"The outdoor space will provide opportunity for quiet reflection and sensory interaction for children with a range of complex health, physical, learning and emotional needs."

Rebecca Knox, Dorset county councillor for the Beaminster ward and chair of the Dorset Health and Wellbeing Board, said: "The Legacy Fund budget of £700,000 has awarded grants to 56 fantastic projects."

"We are pleased to be able to provide funding that will help remind people of the superb 2012 Olympics and hopefully inspire them to get out there and do something."

SOCIAL housing residents in the South West are being offered a new energy supplier, exclusive to the tenants, in a bid to cut their fuel bills.

Due to be launched next month, Magna will be inviting residents to switch to the new brand called 'EnergySW', through a partnership between Advantage South West (SW) – a group of south west based housing associations - and energy supplier OVO Energy.

#### Help your communities by investing in solar share offer

LOCAL investors are once again being given the chance to help provide solar panels for schools and community centres in Dorset.

Dorset Community Energy, supported by Communities Living Sustainably in Dorset, has launched a £350,000 share offer, which is backed by a number of partners including Dorset County Council.

This is the second share offer from Dorset Community Energy with their first in June of this year raising over £195,000 in four weeks, with the majority of shareholders from Dorset.

This financed the installation of solar panels on the roofs of three village halls and three schools, including Salway Ash Village Hall.

This money will help provide solar panels for seven schools and Bridport Arts Centre.

The panels will provide free or low-cost electricity for the buildings, worth a total of £400,000 over a period of 20 years.

Shareholders will receive a pro-

jected five and six per cent per annum interest from the feed-in tariff income and their capital returned in instalments between four and 20 years.

The amount a person can invest is from £100 up to a maximum of £50,000.

Pete West, the society's secretary, said: "Due to changes in government policy, this share offer will be the last opportunity for qualifying tax payers to receive an initial 30 per cent tax rebate on their investment through their Enterprise Investment Scheme.

"This scheme will be closed to all energy projects after November 30th. To allow time to issue the shares, this offer will close on November 26th."

THE next meeting of the Western Area Transport Action Group (WATAG) will take place on Thursday, November 26th at Bridport WI Hall, North Street, at 6.30pm.

At this month's meeting, a representative from E-zec Medical Transport, who provide transport to hospitals for the NHS, will attend to explain the services they are required to provide and answer any auestions.

There is also hoped to be representatives from Dorset **County Council Dorset Travel** to give updates on public transport and there will be a 'democratic session' in which people may raise new issues about local transport.

For more information, contact Peter Smith, WATAG chairman, on 01308 424646 or email watag@hotmail.co.uk.

#### Newsagent braves wax for charity

A BRIDPORT resident has bared all in a bid to raise £1,000 for charity.

Tim Attrill from Harbour News in West Bay bravely agreed to have his chest waxed in front of friends and family if he was able to raise £1,000 for the Alzheimer's Society.

And on Monday he did just that, after raising around £1,200 for the charity with more money to

Local residents, friends and family members filled the WI Hall in George Street to watch the event while teas, coffees and cakes were also sold and a raffle

held to raise extra money.

Mr Attrill said: "It wasn't too bad, I thought it would be a lot worse than it was, I am feeling sore though and I would never do it again.

"I chose to do it as the charity is close to peoples hearts and everyone thought it would be a good idea and to get it done.

"The idea came about after talking to Emily Deer about raising money for the charity and I jokingly said that if we raise £1,000, I would have my chest waxed. The next day she had already put

the point of no return. "Emily Deer and Sharon Gill have or-

ganised the whole thing, they have been excellent, and Vicki Welsh from Snips gave up her time for free to wax my chest which was great.

"I would like to thank the WI for letting us use their hall free of charge and all the locals and public for donating - they have been very kind and generous."

## Having A Skill trouble coping?

WORRYING too much to have fun? Trying to cope but feeling worn down? Or does just the thought of trying to cope with everything stress you out? Hypnotherapy can help.

Your mind is very powerful. It's always trying to help. But sometimes the automatic response is negative - to get stressed and worried, to doubt yourself, to build up so much fear and panic that it can even affect your physical health.

Hypnotherapy helps in many ways. Clearing negative habits and behaviours. Releasing stresses and tensions. Restoring confidence and well-being. And much much more.

Susan Gale can use hypnotherapy and her years of experience to help you. She has a practical, down to earth approach and always tailors the therapy to the person.

With Hypnotherapy she works with your subconscious to give you the help you need to change for the better. To break out of negative ruts. To enjoy better health and enjoy life more.

Susan has been working as a hypnotherapist since 1989 and has helped many people clear many different problems.

Alexander Technique

## for Life

THEAlexander Technique is a holistic approach which educates us to be more aware of harmful postural and mental habits which may be the cause of stress, pain and a multitude of everyday ailments and complaints. By improving posture and being conscious of how you move - whether sitting at your desk, getting up from a chair or running a marathon - the technique teaches you to undo bad habits and re-discover how to use vour head, neck and back in a coordinated

Acclaimed by celebrities, sports personalities, musicians and actors worldwide Madonna, Dame Judy Dench, Lenny Henry and John Cheese to name but a few - it is an educational process rather than a relaxation technique or form of exercise and this is where the difference lies.

The principles of the Alexander Technique can be applied to absolutely anything you do, reaping rewards in the both the long and short term. Anyone can learn this skill - all you need is an open mind, and an interest in taking some responsibility for your own well being.

Rebecca offers one to one lessons in Dorchester and Piddletrenthide.

For Homoeopathy to be effective the remedies must be given according to homoeopathic principles. understanding is that all expressions, physical, mental, emotional and spiritual carry a message, a sensation, which is repeated in everything you say. This gives me the information I need to prescribe the most similar remedy to all your symptoms. In Homoeopathy we call this "like cures like"

Homoeopathy is powerful because it addresses not only the physical symptoms but also the mental and emotional. When the appropriate homoeopathic remedy is given patients often feel much better and happier, as well as their symptoms receding.

The healing journey is a gradual one, the remedies are designed to give the body a nudge, the healing process begins and they begin to heal the whole person.

#### Your appointment with me

Your first appointment can last for up to two hours and follow ups are initially a month apart for about 3/4 hour. I need to have a thorough understanding of you and the symptoms you are experiencing in order to find the most similar remedy. I shall then consider your experience and prescribe on the symptoms you have

## Time to become a nation mindful

By Abi Jackson, Press Association

#### MINDFULNESS FOR ALL

Schemes have already been rolling out, but next step challenges include ensuring training practices and standards are well regulated, and also ensuring that access extends to those in society who arguably need it most.

"There are groups of people that we need to think very carefully about reaching," says Professor Kuyken. "Those that are living with long-term mental health problems, those that are living with chronic physical health problems - and they often co-occur. "The rates of co-occurrence of mental and

physical health problems are actually quite high, and the thing about mindfulness is that it can actually give people the skills to cope with both their mental health and the suffering around their physical health. I think there's also something about reaching the most vulnerable in our society, those in the criminal justice system for example, the people that don't have good access to good healthcare, don't have access to good schools, maybe our long-term unemployed...

"How can we find ways of reaching those people?"

#### Serendip

Serendip: the ancient name for Sri Lanka, before Ceylon and meaning 'Treasure House'. True to its name, Serendip at 11 Broad Street really is a treasure house of books – and so much more besides. There are gift ideas galore; a super selection of quality greetings cards and wrappings; great-value Naxos CDs; Christmas cards, calendars and diaries; jigsaws; games – all of which come with a FREE same day delivery service.

We keep an average of 12000 book titles in stock, most others being available through our 24-hour ordering service. Being independent, we are free to select from the 1000 or so books published in the UK each week from any publisher, in order to provide our customers with a wide range of choice. Our team is always happy to give advice and share their enthusiasm for reading with customers.

When it comes to customer service, we strive constantly to 'go the extra mile' and perhaps most of all, we pride ourselves on being your local independent bookshop.

We love the festive season here at Serendip, and we would like to take the opportunity it provides to offer all of our customers huge thanks for their loyalty, and pass on our sincere good wishes for a joyful Christmas, and a peaceful New Year.

#### Edwards & Parr

EDWARDS & PARR opened in March this year, and offers a wide range of gifts for the home. Rather than having a single style of gift; we wanted to create a department store of gifts – so that whatever style your home is, or whoever you are buying a gift for, you would find the perfect thing at Edwards & Parr. We also wanted a range of prices, whether you're looking for a secret Santa gift for under £5, or a one off piece from the gallery for that special someone.

We stock gifts from many West Country and local makers; including St Eval Candles, Bere Pottery, Colwin Way woodturning from Uplyme, Driftmoods slate from Devon and Lyme Bay Collection candles. All of our artists in the gallery are also local – Peter Vernon wood sculpture, Michael Stride Coastal fine artist and of course our resident wildlife artist Emma Bowring.

We would like to wish you all a Merry Christmas, and hope to see you over the Christmas season.

#### Tierra Kitchen

It's been a great third year at Tierra Kitchen, the restaurant has now completely found its feet and is established as one of Lyme's most popular eateries. The awards keep coming; this year winning the prestigious Taste of the West Gold medal, and runner up in the organisations award for best overall restaurant. 2015 has seen the arrival and popular sales of Tierra's first cookbook, featuring 40 original recipes.

December at Tierra means a delicious alternative to the usual generic fare; original, vibrant modern dishes packed with flavour and texture using the best local and seasonal produce. Adored by vegetarians and meat eaters

alike, Tierra will be offering such delights as Applewood cheddar and chestnut soufflé, chervil root and pistachio croquettes and hot white chocolate, almond and cranberry fondant to name just a few. Throughout December Tierra's chefs will also be cooking a fabulous 6 course tasting menu for those wanting to experience the full monty.

Team Tierra work hard at Christmas time to create a warm, friendly atmosphere with the best alternative music selection. Ideal for intimate dinners and small to medium size groups, why not stuff the Turkey this year and enjoy a really delicious, original alternative.

#### The Writing Room

Make time for The Writing Room this Christmas, a design gift shop and haven for the stationery lover and writer. Housed in a quirky Georgian building at the bottom of Lyme Regis (next door to Aroma café), it's like stepping into a cosy front room. Rumour has it that Jane Austen once dined here; now take time to browse the literary curios and find the ideal gift for friends and family of all ages.

Stylish Lamy fountain pens & rollerballs and Leuchtturm notebooks come in bold colours. Beautifully made rubber stamps from The English Stamp Company are made in Dorset; inkpads come in a dozen shades. Handmade designs such as Forget Me Not notebooks and carefully chosen classic fiction covered in vintage fabrics.

Bookbinding is at its best here, by David Squirrell of Bridport, as well as a hint of the Mediterranean with gorgeous notebook designs and bookmarks by Octaevo. From Paris, a wide range of inks, cartridges, pa-pers and pens from J. Herbin, plus fabulous brass extending pencils and ballpoints for the discerning

For letter writing try our selection of recycled specialist papers, including wildflower-seeded paper for replanting, from Somerset. Or a quill made in Axminster for the old fashioned touch. Sit at our writing desk to pen a letter, and owner and writer Janis Lane will post it for you. And to help you ponder your prose we even offer humbugs - without the Bah!

#### The Pilot Boat Inn

YOUR hosts Steve, Emma and their team welcome you to The Pilot Boat Inn, a traditional Dorset pub set in the heart of the seaside town. of Lyme Regis that is popular with locals and vis-

After running several successful pubs for many years in Surrey, Steve and Emma worked at Hugh Fearneley-Whittingstall's River Cottage for five years and combined this at The George Inn at Chideock winning many awards. They've now brought these experiences to The Pilot Boat and have plans to make some exciting changes in the near future!

Produce is bought daily depending on seasonality, what is available from local farms, what has been caught, grown, foraged, shot or what is available at good local suppliers. As well as our standard menu we have daily specials and stone

Drink is taken seriously as well and in line with our "keep it local" ethos, all of our cask ale is brewed by award winning Palmers in Bridport. The wine list is well thought out, sampling a good cross section of grape varieties that complement our menu.

Enjoy the Pilot Boat in one of our cosy bars, on our patio or if you fancy in our huge function room or skittle alley!

You'll be a stranger here but once!

#### **WORLD RHYTHMS**. **BLUES AND MOODY CINEMATIC MUSIC**

LONDON-BASED band L'Orchestre du Mont-Plaisant bring together world rhythms and moody cinematic moments at Bridport Electric Palace TONIGHT (Wednesday, November 18th).

Playing blues and dance pieces, with notable influences from Congolese Soukous, African highlife, Ethiopian jazz, cumbia, and whiff of Middle-East and Turkish Psychedelia, the band have been featured extensively on BBC Radio 6.

Says bassist and singer Andrea Piro: "Our set is made up mainly of danceable pieces and we just love it when that happens. It definitely helps us in our performance when you see people moving.

"We are all avid listeners and always searching for new exciting music. We go into periods where we look for this or that particular rhythm coming from a certain specific part of the world, each of us looking for different things, endlessly influencing each other.

They have toured extensively throughout England, Germany, France, Italy, Slovenia, Hungary, Montenegro, Croatia, Serbia, Spain, Holland, Belgium and shared stages with the likes of Kuabata Makoto, Hype Williams, Imperial Tiger Orchestra, The Experimental Tropic Blues Band and Talibam! amongst others.

Tickets cost £10.50 in advance from the venue or Bridport TIC on 01308 424901 or £12 on the door. Tickets are also available online via seetickets.com

The Total Who Show

## **TALKIN' 'BOUT YOUR GENERATION**

ALL THE classics of iconic rock band The Who hit the stage at the Marine Theatre in Lyme Regis on Saturday, November 21st. The Total Who Show delivers an incendiary set of songs performed by top British act, Johnny Warman's Magic Bus, including 'Won't Get Fooled Again', 'My Generation', 'Pinball Wizard', 'Who Are You, 'Substitute', and 'Behind Blue Eyes'.

Johnny Warman's Magic Bus comprises worldrenowned session musicians who have worked with Elton John, David Bowie, Ringo Starr, Peter Gabriel, Asia, Julian Lennon, ABC, Cheap Trick, Bruce Springsteen, Foo Fighters, and many more.

"Back in 1971, a friend put on a cassette that changed my life forever – Who's Next," says front man, Johnny Warman. "Ever since, my love of The Who has never left me. So a few years ago, I formed a band of world-class musicians to perform the best of The Who's music. We don't dress up as The Who. We pay tribute to the band in our own way, bringing our individual flair and energy to the songs."

Johnny has close links with the biggest band of the era – The Beatles – and signed to Ringo Starr's record company in 1977. While recording his first solo album at Tittenhurst Park, where John Lennon recorded 'Imagine', Ringo's then 13-year-old son, Zak Starkey - and The Who's current drummer - showed Johnny his new drum kit. "When Zak opened the door, the room was filled with Keith Moon's famous 'Pictures of Lily' drum kit," says Johnny.

To this day, Johnny, Ringo and Zak remain friends. Johnny has opened for Ringo's All Starr Band, featuring musicians including Zak, Todd Rundgren, Joe Walsh, Nils Lofgren, Timothy B. Schmit, Dave Edmunds and Tim Cappello.

Tickets are £14.50 (£12.50 concessions) and available by calling 01297 442138 or visiting www.marinetheatre.com

### PISTOLS AT THE PALACE

FROM their early singles for Concrete Records to their genre defying Six Million Ways To Live LP, the Dub Pistols have always added a much needed Rock and Roll swagger to the UK's dance scene, and this Saturday (November 21st), they are performing at Bridport Electric Palace, with Kuenta i Tambu as support.

Chewing up hip-hop, dub, techno, ska and punk, and spitting them out in a renegade futuristic skank they have consistently defied genres and exceeded the highest of expectations.

Their genre-mashing abilities have led to remix work for the likes of Moby, Crystal Method, Limp Bizkit, Bono, Korn and lan Brown, and seen them work with hiphop legend Busta Rhymes on 'One', a track for Blade 2 and Molotov, the Y Tu Mama Tambien soundtrack.

In recent years the band has mutated from a studio-based duo into a fully fledged live act often featuring the talents of guest vocalists Rodney P, Specials front man Terry Hall, rap wünderkid TK, Sugardaddy horn-blower Tim Hutton and scratch maestro DJ Stix. This year's Glastonbury saw **Neville Staple from The Specials** 

the encore 'Gangsters'.

#### Kuenta i Tambu

Inspired by traditional Afro Caribbean music from Curacao and European dance, Kuenta i Tambu (also known as KiT) has created a brand new sound!

They cleverly found a balance between electronic sound samples, singing and chanting and the infectious rhythms played by ritual tambu drums.

Some call it 'Global Bass', others prefer labeling it 'Tambutronic', but one thing is for sure: it's a wild and colourful explosion of energy, and always seems to set off some serious movements on the dancefloor

Kuenta i Tambu translates to 'Stories and Drums' from Papiamentu, which is the language

Aruba and Bonaire (Dutch Antilles). The group is based in Amsterdam and was formed in 2005 after a series of educational projects at schools and theatres to introduce the music and culture of Curacao to children in the Nether-

During this period the first songs were written, establishing the sound and identity of the group which nowadays is known for its high energy shows, with a great deal of humoristic highlights, hypnotizing beats and dazzling percussive interplay between band members.

The Dub Pistols play at the Electric Palace this Saturday, November 21st at 8pm (doors 7pm). Tickets are £13 in advance or £15 on the door, or £13.20 from www.seetickets.com

## Shappi to headline Sunday Night Comedy

SHAPPI Khorsandi comes to Weymouth this week to headline the final Sunday Night Comedy show at the Weymouth Pavilion for 2015.

One of the leading women in comedy for almost a decade Shappi has appeared on Live At The Apollo, Mock The Week, Qi, Have I Got News For You and countless Radio 4 shows cementing her reputation as one of the UK's most successful and funny female comedians.

Famed for her feisty, flirty and effortlessly funny comedy, Shappi handles every subject with a razor sharp wit, softened only by her deliciously dizzy delivery and endless charm. Joining Shappi on November 22nd will be resident

MCTom Glover and two of the fastest rising stars on the UK comedy circuit, Pierre Novellie and Chris Martin.

South African born Pierre Novellie recently made his TV debut on BBC Three's Edinburgh Comedy Fest Live after a hugely successful debut solo show at the Fringe festival. Pierre has also been a panellist on BBC Radio 4's The Rest is History hosted by Frank Skinner and written for numerous other shows, he looks set to be the next big name to emerge from the Cambridge Footlights Alumni.

Completing the line up will be Chris Martin, one of the UK's best young observational comedians. Chris has been chosen to support Jack Whitehall, Milton Jones and many other names on tour up and down the country and is a favourite on the circuit for his hugely original social commentary and trademark hilarious anecdotes.

The final Sunday Night Comedy at Weymouth Pavilion show for 2015 will be at 7:30pm this Sunday, November 22nd. Tickets are £15 and available online at www.weymouthpavilion.com or from the box office on 01305 783225.

## Ready to entertain you!

DON'T MISS Axminster Musical Theatre's production this week as the highly acclaimed musical of *Guys and Dolls* heads to The Guildhall, Axminster.

The sizzling New York tale of gamblers, gangsters and nightclub singers will leave you thrilled with a glorious evening featuring some of Broadway's greatest showstopping tunes, including 'Luck be a Lady,' 'Sit Down You're Rockin' the Boat' and 'My Time of Day.' Along with dazzling choreography, thrilling direction from Nick Lawrence this is a feel-good show you won't want to miss.

Lawrence, this is a feel-good show you won't want to miss.

A full orchestra and cast is led by Silvey Webber as the pious Salvation Army sergeant Sarah Brown and Kelly Apps as the long-suffering Miss Adelaide. Tom Matthews plays the notorious gambler Sky Masterson and Tucker Stevens plays the local legend Nathan Detroit. The Hot Box Girls and gangsters are ready to en-

tertain you as well. Tickets are available now on line from axminstermusicaltheatre.co.uk or The Archway Bookshop 01297 33595.

The show runs from Tuesday 17th to Saturday, November 21st at 7.30pm with a matinee on the Saturday at 2.30pm.

#### **Encore have Blithe Spirit this autumn**

REHEARSALS are well under way for the cast and crew at Encore Theatre Club as they prepare for their latest production. This year's performance will be Noël Cowards classic Blithe Spirit, to be held in Bridport Arts Centre in November.

Blithe Spirit is a highly popular comic play that has been revived many times since its record breaking opening run in the West End. The play was first performed in 1941, with Broadway transfer production following hard on its heels. Its most recent outing was in the West End with Angela Lansbury last year - demonstrating the ongoing appeal of the play Noël Coward described as an "improbable farce".

The smash comedy hit revolves around socialite and novelist Charles Condomine, who invites the eccentric medium and clairvoyant, Madame Arcati, to his house to conduct a séance, with the aim of gathering material for his next book. His plans backfire when he is haunted by the ghost of his annoying and temperamental first wife, Elvira, after the séance. Elvira makes

continual attempts to disrupt Charles' marriage to his second wife, Ruth, who cannot see or hear the ghost.

Performances are from Tuesday 24th to Saturday, November 28th at Bridport Arts Centre. Tickets are £10 (opening night £8) and are on sale at the Arts Centre Box Office, tel: 01308 424204, or online via the website at www.bridport-arts.com

#### **Bridport Chamber** Orchestra's **Autumn Concert**

THE Bridport Chamber Orchestra performs a wide range of pieces at the Autumn Concert on Sunday, November 29th at St Swithun's Church in Bridport.

Alex Ennis, who leads the BCO, the Axe Vale Orchestra and the Taunton Symphony Orchestra, will perform the glorious Bach A minor violin concerto.

The programme also includes the romantic Serenade by Elgar and the dramatic Holberg Suite by Grieg, a stately Andante Festivo by Sibelius and, as a complete contrast, Alma Llanera, full of toe-tapping Latin American rhythm. This piece is often called the second national anthem of Venezuela and pays homage to the folk music of the wide open plains of the Llanos. Go to any party or fiesta in Venezuela and you will hear the Alma Llanera; countless versions of it exist. It will certainly leave you dancing out of the concert!

The concert is at 3pm and will be followed by the usual delicious tea and home-made cakes. Tickets at £10 (free entry to students) are available in advance from The Bridport Music Centre and on the

# Nissan announces pricing and specification for all-new NP300 Navara

NISSAN has today announced full pricing and specifications for the all-new NP300 Navara – the rugged, dependable and capable workhorse with crossover-style comfort and class-leading technology that will propel the brand back to the top of the pick-up segment.

Available in Nissan showrooms nationwide from January 2016, the new model, which builds on Nissan's 80-year pick-up heritage, will be available in five distinct trim grades – Visia, Acenta, Acenta+, N-Connecta and Tekna – and will be priced from £18,376\*

Customers of the all-new NP300 Navara will have the flexibility to tailor their vehicle so that it can meet the requirements of the toughest job or the most demanding of lifestyles. The pick-up can be specified with either a double cab or a king cab and a 190PS twin-turbo or 160PS single turbo version of the new 2.3-litre dCi engine. There's also a choice of two or fourwheel drive and a 6-speed manual or 7-speed automatic transmission.

Many of the new model's advanced safety features - including a number of first-in-class technologies – are incorporated across the range as standard. This includes Forward Emergency Braking on all double cab models; driver, passenger, side, knee and curtain airbags; electronic Limited Slip Differential (eLSD); Hill Start Assist and Hill Descent Control (on 4WD models).

Developed with the aim of delivering Nissan crossover-style comfort and refinement to the pick-up sector, even entry-level versions of the NP300 Navara are competitively specified with an appealing array of on-board equipment.

Visia models, for example, feature manual air conditioning (4WD), 5-link rear suspension (DC), Bluetooth telephone integration, steering wheel mounted audio controls, an AUX socket for MP3 connectivity, a USB port, three 12v sockets, automatic headlights with 'follow me home', cruise control and speed limiter (DC).

Step up into the Acenta, and customers will enjoy a number of styling enhancements, including 16" alloy wheels and chrome exterior trim, as well as the Nissan Intelligent Key system with engine start/stop button and a 5" HD full colour TFT screen.

Acenta+ meanwhile, adds the more powerful 190PS 2.3-litre dCi engine, 18" alloy wheels, automatic air conditioning with dual zone climate control,

rear colour reversing camera (shown in the rear view mirror), side steps, electric folding heated door mirrors and rear privacy glass.

Moving up the range, the new N-Connecta trim grade puts entertainment to the fore, with the addition of the NissanConnect 2.0 7" touchscreen satellite navigation and entertainment system. This incorporates features including DAB digital radio, a rear colour reversing camera, Bluetooth audio streaming, app integration and live traffic updates.

Topping the range, the Tekna - priced from £24,293\* - adds Nissan's Around View Monitor, which uses cameras to give the driver a bird's eye view of the car, as well as rear parking sensors, leather seats with heated front seats, roof rails and LED headlights

In addition, all models in the range benefit from a full manufacturer five-year/100,000 mile manufacturer warranty – providing additional peace of mind as standard.

# Kia to launch all-new Niro **Hybrid Utility Vehicle (HUV)**

KIA HAS today announced its plans to introduce an all-new low emissions vehicle to its growing model line-up. The Niro – labelled a Hybrid Utility Vehicle (HUV) – represents a new concept from the Korean car brand, and marks the development of Kia's first dedicated eco-car platform

Niro will maintain all the practicality and appeal of a compact SUV, while offering greater fuel economy. Engineered from the ground up as a dedicated hybrid vehicle, its attractive, modern styling will help the car stand out in a traditionally conservative sector.

The Niro's all-new platform has been engineered in isolation from exist-ing Kia models, and is designed to accommodate a specific set of environmentally-conscious technologies and next-generation powertrains.

Hyoung-Keun Lee, Vice Chairman & CEO, Kia Motors Corporation, commented, "Our new model is designed to offer buyers everything they could want from a compact SUV in terms of practicality and styling, while providing the typically low running costs associated with a dedicated hybrid powertrain. By encouraging our engineers to take a 'blank canvas' approach, we have tried to develop a car that will appeal to a broader range of consumers."

Lee added, "The compact SUV market remains one of the fastest-growing segments around the world, and by offering a handsome styling, modern appearance, high practicality and extraordinary fuel economy, Kia's new Niro Hybrid Utility Vehicle will be the most appealing and desirable car in

#### Bold styling for all-new hybrid model

A new addition to Kia's design-led product range, the Kia Niro will boast a brand new design, with a sporty, aerodynamic body, subtly sculptured surfaces and styling details finishing off the car's modern new look. While the Niro is an all-new model, with no direct predecessors, it is still immediately recognisable as a Kia, carrying forward the company's signature 'tiger-nose' grille and a series of other design cues from the latest Kia products. The styling of the new Niro development project has been led by Kia's design centres in California, USA and Namyang, Korea.

Sporting a compact SUV shape, the car's designers highlight the most modern architectural designs and contemporary sculptural art as key inspirations behind the new HUV's body. The vehicle boasts smooth, sleek proportions, while its relatively wide stance portrays stability and a low center of gravity. The long wheelbase minimises the size of the front and rear overhangs, while ensuring occupants enjoy the maximum possible

#### Class-leading fuel economy and sub-90 g/km CO2 emissions

The main focus of the engineering teams' efforts behind the develop-ment of the new model is to deliver class-leading fuel economy in the compact SUV segment. The Kia Niro will combine a stylish SUV design with greater fuel economy than its rivals, with a target CO2 emissions rating of under 90 g/km (combined, based on the New European Driving Cycle).

Throughout the Niro's development process, it has been conceived as a dedicated hybrid model. The car will achieve its ultra-low emissions levels and impressive fuel economy with a downsized hybrid powertrain, pairing Kia's 1.6-litre 'Kappa' petrol direct injection (GDI) engine (105 ps power out-

and 32 kW electric motor. The powertrain's combined power output and torque will be applied to the road through a highly-efficient six-speed dou-

The platform underpinning the Niro has been engineered specifically to accommodate this next-generation petrol-electric hybrid powertrain. A plug-in hybrid powertrain is due to be added to the car's line-up later in its life-cycle.

#### Ultra-strong steel for Niro's unique new platform

Based upon a bespoke new platform, the Kia Niro's body is made of more than 50% ultra-high strength steel, contributing to the class-leading fuel economy and high safety ratings that development teams are targeting. Part of a wider effort by Kia, the extended use of ultra-high strength steel will help Kia reach its target of a 5% reduction in the average weight of new car bodies by 2020 compared to 2014 levels.

With a strong, lightweight body, the Niro will build on Kia's reputation for producing cars with a strong crash safety performance. The company's engineering teams are targeting the highest possible marks from independent safety test organisations around the world, aided by a host of the latest passive, active and pre-collision safety features Kia has to offer.

The high-strength platform will not only result in a high safety rating, but also help minimise noise, vibration and harshness (NVH), a key focus throughout the Niro's conception. The strong body also enables Kia's chassis and dynamics experts to give the car a smooth, refined ride and engaging handling characteristics.

#### Production for global markets scheduled to start in 2016

The new Kia Niro Hybrid Utility Vehicle is due to be unveiled next year, with production for overseas markets scheduled to start in late 2016. The car will be built at Kia's Hwasung manufacturing facility in Korea

#### Kia to improve average fuel efficiency by 25% by 2020

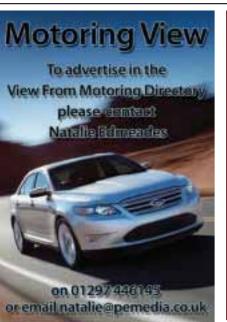

The development of an all-new platform and bespoke powertrain for the Niro will contribute to the brand's ambition to becoming a leader in the low emissions car market by 2020. In the next five years, Kia will expand its current green car line-up from the four current models to 11, and is targeting a 25% improvement to average corporate fuel efficiency over 2014

This expanded range of low-emissions vehicles will encompass a wide range of advanced powertrains, from hybrids and plug-in hybrids to battery-electric and hydrogen fuel cell electric vehicles. The Niro will be among the first of Kia's new models to be designed, engineered and produced as part of this plan.

As well as investment in advanced propulsion technologies, by 2020 Kia will also replace seven out of its 10 current engine ranges with next-generation petrol and diesel units, while increasing the number of turbocharged engines. Higher-efficiency, multi-speed transmissions are also planned, while Kia engineers are targeting a 5% reduction in in the average weight of new car bodies through greater application of ultra-high

LYME REGIS RESERVES 1

LYME Regis Reserves' hopes of reaching the last eight of the Dorset Intermediate cup were ended in emphatic fashion at Wool. "They (Wool) were technically better

than us and were far more strong and powerful - we have no complaints about the result," said Seasiders' secretary Rob Thom. Despite kicking against a fierce, driv-

ing wind and the slope Lyme held their own for the opening 20 minutes. But the hosts took the lead when a 35-yard free-kick went skidding

through on the greasy surface, was spilled by keeper Toby Fowler and the rebound tucked away. The lead was doubled soon after and

Lyme were in trouble, "We needed to reach half-time without conceding again," said Thom. But they were punished for surrender-

ing too much possession in midfield when a 43rd minute cross was headed home by an unmarked striker who was given far too much time and space.
The Seasiders replaced midfielder

Lewis Middleton with striker Pete Pea-cock as the formation was changed from 4-3-3 to 4-4-2 in an attempt to get back in to the game. But the result was effectively sealed

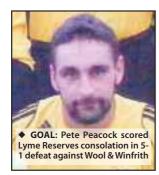

two minutes into the second half when the Wool keeper's goal kick was allowed to run straight through to the edged of the area, and the resulting cross was headed home with the Seasiders marking once again non-existent.

Lyme tried to respond. Substitute Fred Thomson swung over a free-kick which Mark Batey headed against to the bar - the ball spiralled up into the air - Adam Caddy muscled his way onto the falling ball but could only direct his close range headed straight at the

Wool bagged their fifth when a long ball over the top caught Fowler in noman's land allowing a home striker to nip in and make no mistake.

. The Seasiders' consolation came near the end when another Thomson freekick was only half cleared and Peacock bundled the ball over the line with Batey also in close attendance.

NETHERBURY Reserves were knocked out of the Dorset Minor cup on Saturday by a good Sturminster Marshall

This was the second round of this competition and there was a limited pool of players to choose from an eligible list, but the home team made Sturminster fight hard to win this tie.

The opening exchanges were very even, but in the visitors took the lead in 16th minute.

Both teams then created half chances but it was Netherbury who struck next in the 36th minute when top scorer Phil Hussey netted with a delightful chip that nestled in the far corner

An Injury to Ethan Holmes Good then curtailed a promising performance and he was replaced by Tyman James, another 17-year-old, who also performed

before the interval when a shot just managed to squeeze between bar and keeper Mark Tozer's fingertips.

In the second half a tweak of formation allowed Netherbury to have more of the play, and they created a few good openings

In the 65th minute the hosts were awarded a penalty that was duly dispatched by Tom Franklin for a deserved equaliser.

The home team pressed sensing a winner, but they were caught with a combination of inexperience and poor defending when a counter attacking

goal finally sealed a win for the visitors. Ambers' Manager James Sayers was pleased with the efforts of his team he said: "We have not been able to field the same team for some time and every one of the lads gave everything.

"We have a great mix of experience and youth, but it just didn't fall for us today, however there are some great signs from the younger players we are trying to bring through'

One car load of visiting players got delayed on their way to Brimgrove Lane and they were forced to play for the first 25 minutes with just eight men.

During this time Shepton failed to take advantage but took the lead when the AWOL players turned up!

Kris Hastings opened the scoring. Adam Dawe added a second before the interval. But the pick of the goals came in the second half when Jamie Spurdle unleashed a rasping 20-yarder.

#### SOUTH PETHERTON 5 WESTON-SUPER-SEAGULLS 7

SOUTH Petherton's game against the Weston-super-Seagulls was marred by an incident in the 75th minute that led to the game being abandoned. The hosts had battled back from 5-1

down to trail 7-5 after 75 minutes with goals from Jody Bovey (2), Ashley Smith, Hayden Smith and Lee Richards when Pethy's Nick Hole (21) collapsed on the pitch and was taken off to Musgrove Hospital in Taunton.

### WINSHAM UTD 1 NETHERRURY 4

NETHERBURY got a vital away win in a classic game of two halves at Bakers

Shooting down the slope with a strong wind behind them, Winsham dominated the opening 45 minutes.

With conditions not conducive to good football, the Ambers never got going and were thankful to keeper Robin Harp who made two fine saves to keep the score at 0-0 in the first 25 min-

Winsham were unlucky not to take a deserved lead and hit the post and spurned two good shooting chances mid-way through the half.

At the other end Ryan Gall though his shot from a set-piece had crossed the line, but the linesman was not convinced and the half ended goal less

Netherbury came out and dominated the second half and got the all-important first goal courtesy of a first time shot in off the post from the edge of the area by Jon-Paul Avery after good work from Gall and Mark Cuff.

Avery was involved in the second goal too when he was clearly pulled back in the area for a penalty. Danny Rawlings stepped up and, despite the keeper getting a good hand on the ball, the power of the penalty was too much.

Midway through half came the goal of the game when Netherbury keeper Robin Harp sent a long goal kick down field, which reached just outside the oppositions box, where it bounced over the Winsham keeper. The Ambers' fourth came from a set

piece; Rawlings delivered a dangerous ball into the box and Kristian Steward

jumped highest and did brilliantly to flick the ball in with a backward header.

Tony Harwood scored a late consolation smashing home a rebound after

Harp had saved a penalty.

"The first half wasn't pretty and thanks to Rob, some good defending and some luck, we kept it 0-0 said Am bvers' manager Andy Loudon. "I thought we were the better team in

the second half, took our chances and scored some good goals. It's great to get back to winning ways." Loudon-picked out Harp and Avery as his top

#### DIVISION ONE DRIMPTON 3 WAYTOWN HOUNDS 2

DRIMPTON maintained their push for promotion after shrugging off a battling fightback from the Hounds.

The hosts led 2-0 through a Josh Parsons and a Barry Hayne penalty. But Waytown grabbed a foothold before half-time courtesy of a Tom Knott

Craig Studley restored the Greens' two-goal cushion only for Nat Bowditch to find the top corner after being put through by Steve Masters which made for an anxious last few minutes. Tom Rutland went close for the visi-

Knott was manager-for-the-day Matt Read's pick as MoM.

ILMINSTER COLTS 2 HAWKCHURCH UTD 5 HAWKCHURCH remain a point clear in top spot on a day when the leading three teams all won.

The Hawks took control early on and an OG followed by strikes from MoM Jamie Harris and Gavin Herrod, his 17th of the season, had them 3-0 ahead.

Ollie Pearse added a fourth before the Colts scored either side of the interval to make it 4-2.

Regular keeper James Mitcham injured his arm in training and was there fore given a starting spot up top. And he showed his team mates just how it's done by rounding off the scoring.

Mitcham's replacement between the stocks Bradley Cross earned a mention from his manager Martin Bright.

MISTERTON were forced to battle back from 2-0 down before coming out on top in a feisty local-derby that saw both teams play for 70 minutes with 10 men. The visitors started well and goals

from Owen Ward and Alf Ward had them in control at half time, this was after they had Lance Spencer and Drimpton Paul McCormack shown straight red cards.

Drimpton stormed back take the lead before Dan Pyett made it 3-3. But the Greens weren't finished and clinched the win with Paul Gold grabbing a hat-trick and Scott Jennings and Harvey Saunders singles in a fine second-half

HINTON 3 WINSHAM UTD RESERVES 4 WINSHAM Reserves made hard work of eventually coming out on top in a game that they dominated for large periods.

Tyler Perrett put Hinton ahead against the run of play only for Toby Thorne to equalise soon after.

Second-half strikes from player-manager Richard White, Shane Partridge and Willis Lawrence (pen) then put the visitors 4-1 up with 20 minutes to go.

But Hinton kept battling and were rewarded with goals from Ross Jewell and Jamie Manley (pen) only to fall just short of snatching a point as Winsh keeper Jake Hardiman made two superb late saves.

WEYMOUTH & PORTLAND 2ND XV 12 BRIDPORT 2ND XV 0
BRIDPORT 2nds travelled to Weymouth to

play a friendly in ugly conditions; the game was played in better spirit. After a minute's silence in respect to the

people of Paris, the game kicked off, officiated by Chris Burton, The Dorset Rugby Development Officer who has been very supportive of Bridport. Bridport fielded 14 players with a mix-

ture of old hands and young blood. A wel-come return was made by Steve Hodder, Stefan McMaster and Paris Hawkes-Wellstead, who seemed to have lost none of their old magic.

Led by Captain Tim Edwards the Bridport forwards hit Weymouth hard and attacked from the outset. Weymouth on the other hand had a superb combination of outside centre, wing and full back who ran creative

First blood went to Weymouth - a series of running interplay led to the full back converting his own try.

Bridport fought back with a series of at-

tacks by Mark Gough and Edwards, until Gough was taken off injured. Replacement Pete Phillips, having his first game after a neck injury, carried on the attacks and crossed the line only to have the try disallowed as the ref was unsighted.

Changing scrum half Ollie Lavis span the

ball to McMaster who punched holes in the Weymouth back line and linked with Hodder to form an effective attack.

Wellstead he ran expert lines but was brought down just short of the try line by a high tackle; unfortunately the ensuing penalty was not converted. Weymouth fought back and once again their full back ran scything lines to score out wide on the wing. Luckily for Bridport the try was not converted leaving the hosts leading 12-0 at the rurnaround.

In the second half Hawkes-Wellstead was closed down by Weymouth who recognised his danger.

This allowed rugby league convert Alex Gale and novice Harry Nelson to show their natural talent. Nelson almost made the try line after a 50-yard run, only to be stopped five yards out. Hawkes-Wellstead linked up and crossed

the line only for the replacement ref (Community Coach Gareth Thomson) to be unsighted and Bridport's try was once again disallowed.

Bridport's line-out worked well in the second half with James Wallbridge securing ball thrown in by young hooker Joe

This gave them a good platform to launch more attacks, culminating with Wellstead crossing the line again in the dving seconds, only to find the try to be disallowed once again! It was a disappointing end to a good natured and spirited match.

# Beaminster topple unbeaten league leaders

#### Beaminster 4 Bournemouth 3rd 2

DESPITE a superb second half display from Bournemouth's keeper Gillian Forsyth, Beaminster Ladies kept their cool to inflict the first defeat of the season on Channel One league leaders Bournemouth 3rds.

Beaminster took the lead when Phoebe

Stewart measured her through ball to perfection for Andrea Prentice to run on to and beat Forsyth.

Both sides showed lots of enterprise, but it was the hosts that increased their lead midway through the half. Jackie Gape found Prentice who drove the ball across goal for Megan Tuck to fire home with a reverse

But Bournemouth pulled a goal back just before the break through a short corner.

Beaminster started the second half well and regained their two-goal cushion three

minutes in when Iris Garcia was quick to snap up a rebound after Forsyth had kept out Prentice's effort from a short corner. However, two minutes later Bournemouth

had cut that back to one following a well worked move from a short corner.

Beaminster responded and went back on

the offensive which resulted in Forsyth making a number of excellent saves to keep out efforts from Stewart, Prentice and Tuck to keep her side still in the match. Bournemouth rarely tested Rachel Good-

fellow in goal, although she made an important save six minutes from time when she smothered a shot down by her left hand post.

Beaminster clinched the win two minutes from time when PotM Stewart, thwarted by Forsyth's save from her first effort, neatly flicked home the rebound.

### Binns the man!

AFTER a week of inclement weather the men's November stableford was a bit like school break time as keen and eager golfers went out to play facing the changed conditions.

The ball carried less in the wet conditions and the superb greens, although still true, had less run on them, a tribute to David Everett and his devoted green

Despite the conditions there were some good scores in as Gareth Williams' solid back nine saw him come top of Division One with 38 points.

Heading a clutch of 36 pointers were Rob Clapp and Geoff Moss who finished 2nd and 3rd.

The sest score of the day, after a brilliant front nine, went to David Binns whose 39 points won Division Two ahead of Matt Brotherton, (37) and Joe Thirlwell (36).

# Sluggish Bridport pay the penalty

Toolstation Premier – att: 62

BRIDPORT paid the penalty for a sluggish first half in their Western League Premier Division match last Tuesday, and although they gave a better second half display, they could not regain parity against a Willand side that attacked from the outset and were rewarded with two first half goals.

In fact if it had not been for keeper Josh Hadley who made a series of fine saves in the half hour the visitors could have been well ahead as Bridport huffed and puffed without really achieving much.

The first scare came in the eighth minute when a cross from full back Ryan Guppy who made a number of foray down the left before the break, was punched into the air by Hadley, but fortunately the volleved rebound went wide.

The young keeper then produced a superb save from the menacing Angus Wilson whose header took a deflection off a defender but Hadley did brilliantly to get down to parry the ball at the post before it was scrambled away for a corner.

On 16 minutes he was in action again, this time beating away Durham's thunderous shot after he broke through on the right.

A minute later he produced a double save, parrying Guppy's vicious angled shot on the left before recovering to save the follow up at Wilson's feet.

Guppy almost caught him out five minutes later but Hadley managed to turn his swirling cross over

The Bees first real effort on goal came after 25 minutes from a stinging 25-yard drive from Darren Watts that Rovers' keeper Chris Wright saved well down low to his right.

This seemed to give the Bees a lift and when Sean Stewart released Jamie Beasley down the left with a superb angled pass, the former Magpie attempted to cut in instead of perhaps crossing and

Willand finally got the reward their efforts deserved when they took the lead on 36 minutes, although Hadley made it difficult.

The young gloveman spilled skipper Brett Worbey's shot but recovered to block the predatory Wilson's first effort. However the ball broke free and the Rovers striker fired the ball home.

Rovers keeper Wright had looked a little unconvincing at times, but he showed his mettle five minutes before the break. A cross from the left ran through to Warren Byerley who hit a venomous shot towards the top right corner only for Wright to spring and turn it for a corner.

Beasley's low resultant flag kick only needed a touch from someone as it skimmed across the face

Instead Bridport found themselves two down right on the stroke of half-time; David Steele stood on the line, getting the slightest flick to Worbey's inswinging corner.

Bridport had more of the ball in the second half but failed to penetrate the visitors' defence.

It wasn't until midway through the half they really threatened, they had a claim for a penalty following Steve Orchard's blatant push on Mark Salter ignored

by referee Stephen Oakley who had a patchy game. Bridport continued to apply the pressure and now it was Willand's turn to defend.

manager Phil Case (right) and Rotary President John Clegg.

A two minute interlude of action in the final third ended with Stewart's goalbound shot deflected wide, before the same player just failed to direct his shot from the resultant flag kick on goal.

Beasley then just fired wide before delivering a driven cross that a diving Salter just failed to con-

Having been embarrassed 7-0 in the corresponding Dorset Premier League fixture back in August, Annetts was pleased to settle the score in this Dorset Senior Trophy tie with a convincing victory.

He said: "The defeat in August was very embarrassing for me and the club. It is probably the lowest point that I've had as manager of the team.

"But the way we performed on Saturday is probably the highlight of my time in charge. I was thrilled with everything we did on the day, and I thought we thoroughly deserved to win."

He praised his players: "They were superb all over the pitch. Harry Fleet and Dan Peach's performances were outstanding, whilst Matt Condliffe up top was tireless and worked his socks off."

Bridport got off to a good start and created a couple of good chances despite the heavy conditions.

They took the lead midway through the half when Peach danced past two opponents before teeing up Condliffe who picked his spot in the top corner.

However, ten minutes later the Bees gave away a

They were then guilty of standing back and not closing down from the resulting flag kick, and Kane Andrews was afforded space to drill a low shot through a crowd of players and beyond keeper Ashley Weeks into the corner.

Bridport came out after the break confident but also wary of Rec's potential, but settled again into a good rhythm and regained the lead on 53 minutes when a superb five man move involving Peach, Fleet, Josh Baker and Condliffe, saw Tom Blair finishing the move he had instigated with a lovely finish from 18-yards.

Condliffe, who had run the two central Rec defenders ragged all afternoon, was then felled 25yards from goal on 65 minutes. Sam Day's curling free kick around the wall was parried by the keeper, Baker was first to react to nod the ball home.

The frustration then crept into the visitors and Marin Warren was dismissed for two yellow cards 15 minutes from time allowing the Bees to coast to a

Annetts concluded: "Confidence is high now, and maybe I might have swapped it for three points as we have not picked up so many as we deserved."

# Controversial penalty sinks Bees

Les Phillips Cup R2 – att; 123 A CONTROVERSIAL penalty decision was the main talking point of Friday's Les Phillips Cup tie.

After a goalless first half, the teams were level at 1-1 just after the hour when keeper Josh Hadley was deemed to have brought down Ben Lacey as they raced to win a ball played through the Bees defence.

Hadley spread himself as he and Lacey converged on the edge of the penalty box. The ball squirmed away and went for a throw-in, with the Mallett player falling over the prostrate

With the referee allowing play to continue, the throw-in was taken whereupon the linesman flagged to the referee he thought it was a penalty.

Manager Trevor Senior said: "From where I was on the other side of the field it did look like a penalty, but Josh

was adamant he took the ball first as was Sean Stewart who was right in line with the incident.

"The referee was also right in line and didn't give it, and there was no way the assistant could have got a full view. However after consultation, the ref awarded a penalty."

Ben Cleverley tucked the spot kick away to regain the lead for the hosts who scored a third to make certain.

Bridport were the better side in the first half. Tom Richardson headed straight at keeper Dan Fox from six yards, before Jamie Beasley had two good chances.

Ash Willmott forced Hadley into a save at the start of the second half before Beasley had a one-on-one with Fox, but unfortunately shot straight at Almost immediately Shepton took the lead when Tyson Pollard firied a 20-yard shot past Hadley.

Bridport got a deserved equaliser on the hour when Max Buckler was fouled just outside the box and Beasley drove his shot into the bottom corner of Fox's goal.

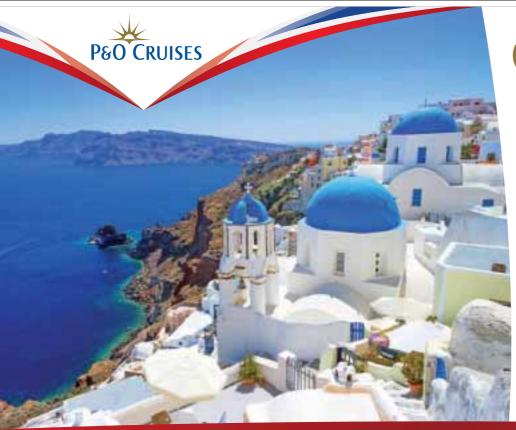

The introduction of former Bristol City star Scott Murray injected some purpose into Shepton's midfield and he drew a good save from Hadley.

But Bridport pressed on looking for an equaliser, and Fox was forced into a superb double to deny Chris Clarke. Then in the last minute of normal time Murray scored to complete the win when he fired home in off the post from 12 yards, before Harry Ritchie struck a post in added time.

Senior concluded: "We showed a lot of character to come down from a goal down and then the penalty inci-dent, but we had enough chances to maybe have won it."

 EXCELLENT START: A group of Bridport Barracudas club members recently competed against other swimmers from the region and came away with an impressive haul of over 36 medals at an Open Meet held at Millfield School. This was the Club's first chance this season to attain times for the County Championships which are held in February. The swimmers competing were; Jessamy Fursman, Kirron Wheeler, Cole Dickinson, Erin Parker, Jess St Barbe-Baker, Will St Barbe-Baker, Alex Moorey, Nathan Moorey, Georgina Mackey, Caitlin Sloman, Charlotte Hussey, Holly Dickinson, Harry Stewart, Chloe Burns, Jack Bradley, Henry Wyrill and Craig Horton.
